***Single Family**

Single Family includes single family dwellings, townhouses (not condos) and buildings with four or fewer residences. More than one rebate may be available per residence. Consult a Benton PUD energy advisor for multiple rebate approval.

****Multi-Family**

Multi-Family includes buildings with more than four residences and three or fewer stories.

*****Customer Invoices**

Customer Invoices must reflect the following:

- The total cost of each measure
- Separate line-item stating "Benton PUD rebate" for each measure, that has been credited to the customer
- The total cost to the customer

Home

The word "Home" as used in this document refers to the electrically heated living space within the residence. It does not include attached garages, unheated basements, porch areas or out buildings.
