

August 31, 2016

**Benton PUD Annual Senior Day**  
9:00 a.m. to 1:00 p.m., Wednesday, September 21  
Benton PUD Auditoriums in Kennewick and Prosser

(Kennewick) Senior customers are invited to Benton PUD's annual Senior Day on Wednesday, September 21 at both the Kennewick Benton PUD Auditorium and Prosser Benton PUD Auditorium.

Benton PUD Customer Service Representatives and the Community Action Connections will provide information and assistance on Benton PUD's low-income discounts. Customers can receive one-on-one enrollment help and receive income verification from the Community Action Connections.

The low-income monthly discounts are 10%, 15% or 25% based on household total annual income of 225% or less of the Federally Established Poverty Guidelines.

The low-income senior discount qualifications are based on annual household income and age (62+). The low income disabled discount qualifications are based on annual household income and a qualifying disability of the customer or member of the household. Income verification is required for both discounts and is completed by the Community Action Connections.

Other Senior Day activities include presentations at the Kennewick Benton PUD Auditorium:

9:00 a.m. – Understanding Benton PUD Rates

10:00 a.m. – Low Income Energy Efficiency Program information

Senior customers will receive a packet with information on electrical safety, energy saving tips and other items. Coffee, juice and cookies will be served.

(end)
